

## How to Nominate Someone for the Hall of Fame

The nomination process for the Huntsman World Senior Games Hall of Fame is simple yet requires some work by you. Simply fill out the Nomination Form and send it to us before the deadline. However, before you do so, you should review the Hall of Fame criteria (qualifications) listed on the reverse side of this sheet.

Please do not nominate someone who does not meet the qualifications or whose contributions or performances may be good but not exceptional. Ask yourself these questions first:

- Have they excelled in one or more of the categories?
- Have I examined the Nomination Forms and do I feel this person's qualifications meet or exceed the requirements?
- Has this person's behavior been detrimental to the Games?

The information you provide will be all the information the selection committee has in making its determination. Please make sure to complete all questions on the nomination form. **An incomplete form may be cause for disqualification.**
